Dear Mrs. Guerrero:

This letter confirms your and our mutual intentions with respect to the potential transaction described herein between **Taycann Inc.** ("Buyer") and J & R's Scripts, Inc ("Seller").

1. **Terms.** The principal terms of the proposed transaction will be substantially as follows:

This stock acquisition will include: (i) the complete prescription files and/or customer lists of the Seller; (ii) the fixed assets of Seller; (iii) any intangible assets of the Seller including but not limited to the use of the trade name (iv) pharmacy and over-the-counter inventory in good standing; (v) the accounts receivable as defined below (vi) the goodwill associated therewith, (vii) all of the licenses and permits of the business including but not limited to: pharmacy licenses – NM State Pharmacy License, DEA, NPI, NCPDP, Medicaid, Medicare; and (viii) the insurance contracts and vendor contracts of seller.

- (b) **Consideration.** The aggregate consideration for the stock and business to be purchased will be \$187,000. The purchase price to be allocated as follows: \$135,000 for 90% of goodwill, \$27,000 for 90% of inventory, to be confirmed and adjusted per a physical count described below, \$25,000 for Estimated Net Receivables (as defined below). \$187,000 in cash will be paid at closing.

- Inventory will be adjusted per a physical inventory taken at the close of business the day prior to closing and based on current acquisition cost or the actual acquisition cost. If the acquisition cost is not

available, the cost will be calculated by a percentage of the retail price. The schedule of discounts from retail shall be mutually agreed upon by Buyer and Seller. Inventory shall be subject to usual exclusions, such as expired or unsalable goods, and adjustments, for such things as generic drug rebates and shall not exceed [REDACTED].

- The price for the real estate to be confirmed by a certified appraisal ordered by the lender. The real estate must meet the minimum appraised value of \$[REDACTED], or the price will be adjusted accordingly.
 - “**Estimated Net Receivables**” means the resulting value of (i) eighty-five percent (85%) of the Accounts Receivable *plus* (ii) Net Prorated Item Amounts *less* (iii) Accounts Payable. The Estimated Net Receivables shall be agreed to by the Parties and reflected in the Closing Balance Sheet.
- (c) **Due Diligence Review.** Promptly following the execution of this letter of intent, you will allow us to complete our examination of your financial, accounting and pharmacy records and the contracts and other legal documents and generally to complete due diligence. The parties will cooperate to complete due diligence expeditiously.
- (d) **Definitive Purchase Agreement.** All of the terms and conditions of the proposed transaction would be stated in the Purchase Agreement, to be negotiated, agreed, and executed by you and us.
- (e) **Management Services Agreement.** As a part of the purchase agreement a service agreement will be created to allow a 90-day period for Buyer and Seller to operate together. Buyer will be providing resources and revenue opportunities during this period. The purchase price and terms will not change due to these activities.
- (f) **Conduct in Ordinary Course.** In addition to the conditions discussed herein and any others to be contained in a definitive written purchase agreement (the “Purchase Agreement”), consummation of the acquisition would be subject to having conducted your business in the ordinary course during the period between the date hereof and the date of closing and there having been no material adverse change in your business, financial condition, or prospects.
- (g) **Continuation of Employment.** Simultaneously with the execution of the Purchase Agreement, we would offer employment to substantially all of Seller’s employees as well as Seller and would expect the management team to use its reasonable best efforts to assist us to employ these

individuals. This agreement will be finalized as a part of the purchase agreement.

2. **Expenses.** You and we will pay our respective expenses incident to this letter of intent, the Purchase Agreement and the transactions contemplated hereby and thereby.
3. **Public Announcements.** Neither you nor we will make any announcement of the proposed transaction contemplated by this letter of intent prior to the execution of the Purchase Agreement without the prior written approval of the other, which approval will not be unreasonably withheld or delayed. The foregoing shall not restrict in any respect your or our ability to communicate information concerning this letter of intent and the transactions contemplated hereby to your and our, and your and our respective affiliates', officers, directors, employees, and professional advisers, and, to the extent relevant, to third parties whose consent is required in connection with the transaction contemplated by this letter of intent.

5. **Miscellaneous.** This letter shall be governed by the substantive laws of the State of New Mexico without regard to conflict of law principles. This letter constitutes the entire understanding and agreement between the parties hereto and their affiliates with respect to its subject matter and supersedes all prior or contemporaneous agreements, representations, warranties, and understandings of such parties (whether oral or written). Mike,

Good to hear from you. I am so happy to be back and dive into the pharmacy opportunities again. I am OK to start looking at retail only but very high preference to compounding as that is the real goal. CA is on the back burner for now. Trying to get back into Vegas again. I have a few members of the old crew available to jump in.

Thanks

Sameer

Sameer,

Great to hear from you and I'm glad you were able to make the trip to take care of your Mom. I'm happy to start looking in Las Vegas. I wanted to double-check on your criteria again. Is your focus going to be solely on compounding, or are you interested if it's a profitable retail or LTC pharmacy? Also, are we moving on from any opportunities in California?

Thanks,

Mike Kelley

Sean Duffy received another listing I thought you may be interested in. Below is all the information he shared in his email, but let me know if you'd like to learn more.

I just got a pharmacy listing in LA with almost \$20 million in sales and a normalized net of \$2.7 million.

Thanks,

I'm checking back in on these pharmacies to see if you've spoken with Cynthia and Sean. I will say, these brokers can give up on us pretty quickly if we are not responsive.

Let me know if you have any questions.

Sean would just like an NDA on file before sharing info and Cynthia would like to get on a quick call because she may have other pharmacy listings, including the one in San Francisco.

Let me know if you have any questions.

Subject: Licensing timelines and requirements

Hi Owen and Mike,

It has been a while. I am still keeping my interest in the Pharmacy business while working full time in a new IT startup in Silicon Valley.

I need some information. let me know if you have any webinar recording or other means to learn on this topic.

- What are the challenges in getting a Caremark, Optum or Medicaid license for an old pharmacy with new ownership?
- what is a general timeframe to get these licenses?
- What is a typical timeline to build a compounding lab / clean room? Are there any inspections involved?

Thanks

Sameer
